WORK EXPERIENCE

Associate Software Engineer
iauro Systems Pvt. Ltd.

09/2021 - 08/2023   *Pune, India*

Full time web developer at iauro Systems.

- Collaborated with cross-functional teams to understand requirements and develop scalable and responsive web applications using React.js.
- Implemented user interface designs and ensured a seamless user experience across different devices and browsers using micro frontend architecture.
- Developed applications following coding standards and industry best practices, ensuring maintainability and scalability.
- **Project 3:** Designing seamless buyer/seller interfaces to enable purchase/sale. Implementing user-friendly interactions using React JS, ensuring intuitive navigation and transaction flows. Developing super admin access for real-time activity monitoring, enhancing transparency. Applying micro front ends, Redux, and React Routing for optimal performance. (Current project)
- **Project 2:** Designing a low code platform in which developers would need to have a basic to no knowledge of coding and still will be able to design an end to end fully functional enterprise application using the developed platform.
- **Project 1:** Developing a enterprise application which can be internally used by clients team to manage and track the internal data related to their product.

Contact : Ninad Shinde - 9405851687

Intern
iauro Systems Pvt. Ltd.

03/2021 - 09/2021   *Pune, India*

Intern at iauro Systems.

- **Developed reusable React JS components** , streamlining UI development. Successfully deployed them on a Verdaccio server, establishing an accessible **npm package** .
- Enabled efficient integration across projects, enhancing code reusability and accelerating development cycles.
- Demonstrated a strong work ethic, commitment to learning, and the ability to adapt quickly in a fast-paced environment.

Contact : Amol Kulkarni - 9096326647
